Forecast for Sunday 22 Sep 2024

Weather: Risk of a heavy shower just edging into the mountain area in the early hours. Otherwise any mist and fog slowly clearing with a dry and bright day afternoon expected. Sunny spells during the afternoon but cloudier during the evening.

Chance of cloud-free hill tops above 700m: 80%, low cloud in the morning will lift and clear.

Low cloud and visibility: Scattered low cloud in the morning, layers above 500m, these will tend to break and lift but some patches lingering. Very good visibility in the afternoon.
